AB 569

::::::: U P D A T E :::::::

AB-569, a bill that poses a direct attack on religious liberty, PASSED the Senate on Tuesday, 27-13 with all Republicans voting, “NO,” and the Assembly on Thursday, 56-20-4, with two Republicans voting “AYE”.

The bill now goes to Governor Jerry Brown’s office who has the option to sign it into law or veto it.

As you are aware, AB 569 specifically outlaws employee codes of conduct used by any employer that prohibit abortion, contraception, or premarital sex. There is a very narrow exemption for ministers, those teaching the faith.

Please call Governor Brown’s office at (916) 445-2841 and ask him to VETO AB-569.
